.....PLEASE TAKE NOTE.....

Dear Friends,

During this difficult time, please note that New Milford Pizza Station will continue to be serving our amazing pizza, salads, pastas and more for takeout and delivery. We will also be delivering from our sister restaurant GRECA's menu. We have seen this coming and have taken several steps to provide increased protection to our customers and staff including:

1. Treating all of our surfaces with STERILE DOCTOR, a nanotechnology application that binds to just about any surface and prohibits the growth and spread of microorganisms on those surfaces for up to thirty days. Of course we continue to rigorously clean with quaternary sanitizers and bleach. Sterile Doctor is used by large companies, governments, hospitals, arenas, etc for these very purposes. Of note is the fact that Singapore has applied it in most public places including airports. The fact that they have a very low incidence of COVID-19 is reassuring to me that this product is extremely effective.

2. We are EXTENDING OUR DELIVERY RADIUS. For orders of \$40.00 or more we will drive beyond our normal 5 mile radius, up to 10 miles. For larger orders we will drive even further. It is important to us to be able to service all of our customers (old and new). The minimums are of course necessary to ensure that we can continue to operate.

3. We are offering CURBSIDE PICK UP. Please call us at 860-354-9393 to let us know when you are here to pick up your order.

4. We are encouraging all call-in orders (for pick up and delivery) to pay by credit card over the phone to limit contact.

5. We are offering CONTACTLESS deliveries. Just leave instructions where to place your pre-paid order and we will call you once we have completed the delivery.

We very much appreciate your support during this health crisis. As you can understand, it will be extremely challenging for small businesses like ours, and we cannot thank you enough for your continued patronage during this time. We are committed 100% to serving you in the safest way imaginable.

Thank you,
Dino
