## craft cocktails

**baklava old fashioned** 11  
redemption bourbon, cinnamon syrup, black walnut bitters, candied walnut

**greca negroni** 11  
empress blue gin, roots diktamo (amaro), otto's athens vermouth, orange  
*empress gin has a natural blue color that comes from lavender infused among the botanicals; it's not juniper-forward but, rather, gentle and sophisticated, blending wonderfully with roots diktamo (an exquisite herb liqueur from greece) and otto's, a great discovery in the area of vermouths*

**cloudy sunday** 12  
litchfield bourbon, roots kanela, roots diktamo, lime juice  
*The name of the drink is taken for the song "Sinnefiasmeni Kyriaki (Cloudy Sunday)" which was written during the brutal Nazi Occupation of Greece. The song talks about the singer's wait for the clouds to pass, a reference to the occupation. The bitterness of the Diktamo represents the suffering of the Greeks at the time, with the sweetness of the cinnamon representing better times ahead. The ginger beer gives it the cloud, and the bourbon represents the strong character of the people that helped them to survive the occupation.*

**the socratic method** 11  
evan williams bourbon, roots rakomelo, fresh sage  
*sage (for wisdom) is gently muddled and mixed with evan williams bourbon and rakomelo, a honey-infused greek grappa (don't let the word grappa fool you, this isn't fire water, it's an elegant, smooth spirit)*

**greca mule** 10  
tito's handmade vodka, roots rakomelo, gosling ginger beer, fresh lime juice, orange

**autumn apple mule** 11  
mashed green apple, tito's handmade vodka, roots kanela true cinnamon, gosling ginger beer, fresh lime juice

**kiss the fig** 11  
figenza vodka, prosecco, blackberries

**the wine-dark sea** 12  
tito's handmade vodka, fresh lemon juice, simple syrup, mint, merlot float  
*this drink takes its name from a line from homer's odyssey and is as enigmatic, alluring and dangerous as the sea*

**rakomelo & coke** 10  
roots rakomelo, coke, squeezed lime  
*also known as Kyrpos Libre, with rakomelo (a honey-infused greek spirit) taking the place of the rum*

**the anthony quinn** 11  
patron xo coffee liqueur, greek iced coffee frappe  
*what do you name a drink that blends a spirit from mexico with a coffee from greece? anthony quinn was, of course, the mexican-born actor who portrayed greeks in several big hollywood films, most famously as Zorba the Greek*
